ABOUT ME

Computer Science student at Scaler School of Technology with a focus on programming, web development and AI. I learn by building: I've made a responsive portfolio site and a student study planner, and completed an IIT Madras certification in Data Science and AI. Also interested in business, design and psychology.

EDUCATION

Scaler School of Technology 2026 – 2030 Undergraduate Programme in Artificial Intelligence & Business, India
Coursework: Data Structures, Algorithms, Web Development, Programming

BITS Pilani 2026 – 2030 B.Sc. (Hons.) in Computer Science

Focus areas: Programming Languages, Foundational Computer Science, Systems & Software, Advanced & Elective Tracks

The Shri Ram Universal School 2018 – 2026 ICSE / ISC · PCM + Computer Science

Foundation in mathematics, physics, chemistry and introductory programming.

PROJECTS

Student Study Planner HTML, CSS • A lightweight planner to track subjects, deadlines and weekly goals, designed for clarity over clutter.

Personal Portfolio Website HTML, CSS • Responsive portfolio built with only HTML and CSS.

- Includes a CSS-only dark/light theme toggle, mobile navigation menu, page loader and scroll

animations. **SKILLS**

Programming Java, C++, Python

Web Development HTML, CSS, JavaScript

Tools Git, GitHub, VS Code, Linux

CERTIFICATIONS & ACHIEVEMENTS

Introduction to Data Science & AI 2025 Centre for Outreach and Digital Education, IIT Madras · 8-week certification

- Covered data analysis, machine learning fundamentals and AI.
- Built and deployed a personal portfolio and study tools using HTML/CSS.

INTERESTS

Design, Psychology, Writing, Music, Travel
